Dear Sir:

The references listed in the attached PTO Form 1449, a copy of which is attached, may be material to examination of the above-identified patent application. Applicants submit this reference in compliance with their duty of disclosure pursuant to 37 CFR §§ 1.56 and 1.97. The Examiner is requested to make this citation of official record in this application.

Several items were lined out and not initialed as considered in the Information Disclosure Statement (IDS) filed on July 14, 2004, July 23, 2005, August 22, 2005 and October 17, 2005. Also being submitted with this IDS are clean copies of the PTO 1449 forms previously submitted that were not initialed by the Examiner. Per a conversation with James E. Austin on January 20, 2006, the Examiner agreed to indicate the references listed in clean copies if these PTO 1449 forms were submitted. The Examiner is respectfully requested to indicate his consideration of these documents in the next action by initialing next to it on the PTO Form-1449.
